

International Symposium 2023 on Structural Immunity

March 27th, 2023

Venue: Restaurant Heiliggeist Stüble, Münsterplatz 15, 79098 Freiburg

07:00 p.m. **Speaker's Dinner**

March 28th, 2023

Venue: Historisches Kaufhaus, Münsterplatz 24, 79098 Freiburg

08:30 a.m. Registration

09:00 a.m. Welcome note

09:05 a.m. **Greeting from the Dean of the Faculty of Medicine**
Lutz Hein (Freiburg, Germany)

09:15 a.m. **KEYNOTE lecture**
Christoph Bock (Vienna, Austria)
Looking into the past and future of cells: Single-cell analysis of epigenetic cell states in immunology and cancer

10:00 a.m. **Tim Lämmermann (Freiburg, Germany)**
How Extracellular Matrix Composition and Geometries Shape Immune Cell Dynamics

10:30 a.m. Coffee break

10:50 a.m. **KEYNOTE lecture**
Lucas Onder (St. Gallen, Switzerland)
Fibroblastic reticular cells in secondary lymphoid organs and beyond

11:35 a.m. **Philipp Henneke (Freiburg, Germany)**
Functional mosaics in barrier tissue macrophages

12:05 p.m. Lunch break

01:20 p.m. **KEYNOTE lecture**
Francisco Quintana (Boston, USA)
Novel approaches for the study of CNS cell-cell interactions

02:05 p.m. **Nina Cabezas-Wallscheid (Freiburg, Germany)**
Regulation of dormant hematopoietic stem cells

02:35 p.m. Coffee break

02:55 p.m. **KEYNOTE lecture**
Marc Bajenoff (Marseille, France)
Stroma-Macrophage interactions

03:40 p.m. **Marco Prinz (Freiburg, Germany)**
Brain-specific niches for macrophage engraftment

04:10 p.m. Closing remarks
